JINN FENG ELECTRONIC TECH CO.,LIMITED. a big professional supplier of all kinds cable/wire. Our connection cable covering HDMI Cable,DB serial Cable, SATA cable, USB 2.0&3.0 cable , MIRCO 3.0 cable ,VGA, DVI, SCSI, Cisco etc...We can also make special cable under customer's requirement. We are devoted to provide high quality cables and custom cable assembly service at the most competitive prices.

With the expansion of the production capability of our company and the exaltation of our technology level, our products are able to meet the international requirements. We are now mainly engaged in manufacturing small and medium volume overseas cable and cable assembly orders compliant with ROHS requirement.

In the fast and ever changing world of advanced technology, we have recognized the significance of forging close customer relationships. These relationships ensure our common goals. Therefore we are continuously challenging ourselves to be at the highest level. While special attention has always been given to provide a reliable and high quality product; We have always found pride in our dependable service, competitive prices, prompt delivery and continual product development.

Our well experienced staff works as a team, effectively and efficiently servicing our customers. It is through this continuous dedication and confidence in the ability to provide our customers with a product and service second to none that we have created our driving force.
